For universal and durable DEF transportation and storage. The Piusi Portable Tank (PPT) offers an effective solution to deliver DEF to on-road and off-road vehicles. The PPT ensures a safe and quick DEF transfer utilizing its SuzzaraBlue DC pump. Shock resistant polyethylene construction, ventilation cap, and stainless steel accessories. The lightweight, lockable tanks, are UV resistant and can be effortlessly loaded onto your delivery vehicle. Most importantly, the SuzzaraBlue is now secured and easily accessible.
